NOTICE TO EXHIBITORS ~ RULES & REGULATIONS

This trial will be held under the current rules and regulations of ASCA. Exhibitors, through submission of an entry, acknowledge that they are knowledgeable of current ASCA rules and regulations and agree to abide by all rules in effect at the time of this trial, including, but not limited to, the following:

This trial is open to all dogs being at least eighteen (18) months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's physical or mental performance, or dogs exhibiting any signs of aggression towards people or other dogs.

Dogs at least 15 months or older may compete for exhibition only (FEO) and must jump 4" lower than regulation height until they are 18 months old. Handlers do not need to be ASCA members. No entry shall be accepted from a dog or handler disqualified from the ASCA Agility program; a dog or handler disqualified from all ASCA programs; or a person not in good standing with ASCA. A list of such dogs will be supplied by the Business Office with the sanctioning paperwork provided to BVASC.

Dogs are not required to have an ASCA Registration, ASCA LEP, or QTracking number to enter this trial. **However, in order to have ASCA qualifying legs tracked and to receive ASCA titling certificates, each non-ASCA registered dog will be required to have an ASCA QTracking Number. This is a one-time fee of \$10/dog. At the time of applying for the QTracking Number, the individual owner must also be an ASCA member (minimum membership type is 'Service'). ASCA membership does not need to be maintained in subsequent years. It will be the responsibility of the owner to identify to ASCA the shows and legs earned when applying for a QTracking Number after ASCA qualifying legs have already been earned. The ASCA Membership and QTracking Number Application form is included in this premium. For additional membership information, please go to www.asca.org.**

A current ASCA Agility Rule book can be found at ASCA's web site <http://asca.org/Portals/0/AgilityRules.pdf>

For a small fee, copies may be obtained from the ASCA Business Office, 6091 E State Hwy 21, Bryan, TX 77808.

Web: www.asca.org; e- mail: activities@asca.org.

Neither ASCA, BVASC nor Y2K9s will be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee be asked to leave the show site. **In such case, no refund of fees paid will be made and the ASCA office will be informed of the problem.**

No food, toys, other aids or devices will be permitted on the course or within 10 feet of the rings.

ENTRY FORM / ENTRIES / CONFIRMATIONS

Entries will be accepted in the order they are sent, not received. For entries sent via Postal Service, the valid reference date is the postmark. Otherwise the valid date is the ship date. Entries with an early postmark will be processed after Day 5 receipts. Unreadable postmarks will be assumed to be the day previous to receipt.

Priority for a limited number of available spots will be given to exhibitors who volunteer to work.

If the trial does not fill, day of entries will be accepted. There will be an additional \$5.00 service fee charged per dog for day of entries.

If your dog is an ASCA registered Australian Shepherd (either full registration or LEP) or has an ASCA QTracking Number, write your dog's ASCA registration/LEP number/QTracking Number on the space provided on the entry form. If this field is left blank, the ASCA Business Office will assume this dog is not registered with ASCA and will not automatically track qualifying legs. However, these dogs will still be placed and will receive any placement awards offered. You may submit the QTracking/Service Membership Form with your entry – HOWEVER please make fees payable to ASCA.

A dog must compete in the height division in which they have been entered. Exception: when a dog is required by the judge to move to a higher height. These dogs will be placed last in the running order of the new jump height.

Canadian Exhibitors: All fees **MUST** be submitted in US Funds via International Postal Money Order.

Returned checks do not constitute a valid entry fee. Returned checks will incur a \$30 service charge.

REFUNDS / WITHDRAWALS

There will be no refund/credit for entries withdrawn after the closing date, except for a dog's injury and/or illness or for bitches that come into season after the closing date. These entries will be eligible for a voucher for the amount of the total entry fee paid less \$15.00. A signed letter from your veterinarian must be included with your written request. Requests must be received by the trial secretary prior to the start of the trial. Voucher must be used towards another BVASC agility trial.

There will be no refunds if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, strike, or any other cause beyond the control of the Event Committee. There will be no refund in the event dog/handler are dismissed from the competition, regardless of reason.

New team tunnelers added to our already fun tunnelers game, being held on Saturday between Regular and Jumpers.

Like usual, the entry fee for tunnelers is \$10 per dog with the proceeds being donated to ASGHI. Anyone that would like to participate is encouraged to join in the fun. Dogs do not have to be entered in the trial to participate in this game as it is not an official ASCA class. Rules are the fastest dog that completes the course in order without any off courses wins! BVASC is happy to award the winner one free day of runs for the winning dog to be used at one of our future BVASC trials.

Something new at this show! ~ *Team Tunnelers!!*

Teams are made up of 2 dogs. Sign up with a friend, run 2 of your own dogs, or let us randomly select your teammate.

The cost for the team event is an additional \$6 per team (\$3 per dog) with the winning team taking home the loot!

Here's how we play:

After all tunnelers runs have been completed, we will take the times for each team member, adding 2 seconds per wrong course, and total the team scores. The team with the lowest combined score (time plus faults) will be pronounced the winner!
